District 4 meeting this afternoon at San Antonio Elem. School. Registration 3 to 5 p.m., Business meeting 5 p.m. If the previous district meetings are an example, the meeting, quorum or not, will hear from Manager Herrera on the upcoming rate hike and Trustee Prescilla Mauldin on the proposed amendments to the bylaws from the trustees. Both of these reports are very interesting as Ms. Mauldin's committee called the "Members' Bylaw Committee" is seeking to undo all of the gains of the past years in regard to members' right, openness, etc. If there is a quorum, these resolutions will be put to a vote and a packed house might well pass them if not enough members who want a clean co-op are there to stop them. The outcries of regret from members who did not attend the last District 4 election which resulted in a narrow win for Trustee Wade should be remembered in this case. Member questions at the previous district meetings put management and trustees on the hot seat. Bring your questions and your vote.
