## LETTER: PNM Alternative

To the editor"

Preamble to SEC By-Laws: "It shall be the aim of the Socorro Electric Cooperative, Inc. to make electric energy available to its members at the lowest cost consistent with sound economy and good management".

Ah! A good phrase, "lowest cost consistent with sound economy and good management." I think that the SEC law suit filed in Valencia County Wednesday against SEC members violates SEC's basic aim and should be grounds to remove, for cause, those Trustees who voted for same.

On the other maybe we member owners should sell our Electric Cooperative, lock, stock and barrel, to PNM receiving PNM Stock in payment. I would much rather be a satisfied PNM stockholder customer than an irritated put upon SEC owner member.
