House Bill 42 - RURAL ELECTRIC CO-OP MEMBER VOTING was reported out of the House Judiciary Committee without dissent. This is the third House Committee to give this bill a unanimous "Pass" which should assure passage as it goes back to the House Floor for a vote. Rep. Tripp thinks that the vote will take place on Thursday. You may check the House Calendar and listen to the floor debate by going to www.nmlegis.gov For the audio, click on "House audio."
