Ms. Charlene West
President, SEC Committee for Reform
P.O. Box 98
Lemitar, N.M. 87823

Dear Mrs. West,

It is my understanding that the reform group may have a presence at the proposed rate information meeting on Friday, January 21, 2011. Please be advised that the SEC observes the 100 feet clear area from the front door of the meeting room as do public elections for any purpose other than the scheduled meetings. In an effort to keep walkways, handicapped and entry ways clear, we ask that you observe this area in a courteous manner. We will have the areas blocked off.

Thank you for your cooperation.

Sincerely,

Richard Lopez
Interim Manager
