July 2 2011 –

A quorum of the board held a meeting after the regular meeting was canceled on June 28th and called a special meeting for July 5, 2011. [July 5th Meeting Agenda](#) 

Meeting agenda will be posted on this website from now on as the board won't put it in the paper. A bylaw is needed mandating agenda posting in the paper in addition to the monthly billing.

The last paragraph of this article on July 2nd - [Co-op board meeting canceled](#) - concerning the "cleaning of the bylaws" gives the impression that the co-op is in control of redrafting of the bylaws. However, the ORDER ON HEARING ON PARTIAL MERITS, Section D reads, "The parties lawyers on both sides shall submit a "clean" (complete with all amendments made at April 17, 2010 Annual Meeting as reformed by this order) copy of the by-laws of the Socorro Electric Cooperative, Inc. to the court; "Parties" in this order refers to lawyers on both sides.
