

Sept 24, 2011 –

Reminder that next week has the SEC Board of Trustees meeting on Wednesday, Sept. 28th at 5:30 P.M. at 310 Abeyta (across from the DAV). As soon as we receive the Agenda, we will send it for posting here and www.mountainmail.news .

Legal matters and redistricting should be hot topics. It is urgent that a viable redistricting plan be developed by a neutral, professional group so that the new 5 districts can be voted upon at the 2012 Annual Meeting in order to elect the 5 new Trustees as mandated by the members at the 2010 Annual Meeting. Mr. Wolberg's redistricting plan is fatally flawed and will be rejected by the court if the present trustees insist on pushing his plan.

Legal Matters –

The assault trial of Mr. Xavier Ortiz is set for Thursday, September 29th at 1 p.m. in Magistrate Court at 102 Winkler, Socorro. Remember the incident when Mr. Ortiz accosted Trustee Wagner in the Courthouse following Judge Mitchell's ruling in favor of the members who were sued by the SEC and the Board of Trustees. Assault charges were brought against Mr. Ortiz by the Socorro Police Department and after some delay, they are finally going to go to trial. A good turnout would be appreciated to enforce the idea that bullying tactics and cursing are not tolerated in a civilized society.
