

## Macy Center Map

From California Street (Hwy 60) Turn west on Bullock Blvd, the next light north of Smiths and Denny's.

Follow Bullock west  $\frac{3}{4}$  mile and it will slowly curve to the left (South). At the turn the street turns into Olive Lane.

Macy Center is just after the curve begins, on the right side. It is set back off the road about 200ft. Parking is rather limited.
