OF THE  
MORA-SAN MIGUEL  
ELECTRIC COOPERATIVE, INC.**

As revised and adopted at the  
June 26, 2010 Annual Meeting

## ARTICLE I - MEMBERSHIP

**Section 1. Requirements for membership.** Any person, firm association, corporation or body politic or subdivisions thereof may become a member in the Mora-San Miguel Electric Cooperative, Inc., (hereinafter called the "Cooperative") by:

- (a) filing a written application for membership therein;
- (b) agreeing to purchase from the cooperative electric energy as hereinafter specified;
- (c) agreeing to comply with and be bound by the articles of incorporation and by-laws of the Cooperative and any rules and regulations adopted by the Board of Trustees; and,
- (d) paying the membership fee hereinafter specified, provided however, that no person, firm association, corporation or body politic or subdivision thereof shall become a member unless and until he or it has been accepted by the Board of Trustees or the members. No Member may hold more than one (1) membership in the cooperative, and no membership in the Cooperative shall be transferable.

At each meeting of the members held subsequent to the expiration of a period of six (6) months from the date of incorporation of the Cooperative, all applications received more that ninety days prior to such meeting and which have not been accepted or which have been rejected by the Board of Trustees shall be submitted by the Secretary to such meeting and, subject to compliance by the applicant with the requirements hereinabove set forth, such applications or any one more of them may be accepted by vote of the members. The Secretary shall give each such applicant at least ten (10) days notice of the date of the members' meeting to which his application will be submitted and such applicant shall be entitled to be present and heard at the meeting.

**Section 2. Membership Certificate.** Membership in the Cooperative shall be evidenced by a membership certificate which shall be in such form and shall contain such provisions as shall be determined by the Board of Trustees. Such certificate shall be signed by the President and by the Secretary of the Cooperative and the corporate seal shall be affixed thereto. No membership certificate shall be issued for less than the membership fee fixed in these by-laws, nor until such membership fee has been fully paid in cash. In case of a lost, destroyed or mutilated certificate, a new certificate may be issued therefore upon such uniform terms and indemnity to the Cooperative as the Board of Trustees may prescribe.

**Section 3. Types of Membership.** The Cooperative will consider memberships to be either single memberships or entity memberships as follows:

- (a) a membership issued to married person shall be considered to be a single membership owned as community property by the husband and wife. In the event of death or divorce, the membership shall be owned by the surviving member retaining possession of the property served by the Cooperative. In the event such property shall continue to be held jointly, the membership shall be considered owned by the person designated by Court order or by that person paying the Cooperative. In the event of the marriage of a person who already has a membership in the Cooperative, the membership shall continue to be held in the name of the

original member until such time as a statement signed by both the member and his/her spouse is delivered to the offices of the Cooperative directing that the membership be held as a community property asset.

- (b) memberships owned by a business shall be either sole proprietorship, corporation or other legal entity. Such entity memberships shall be voted by a person designated by the entity in writing.
- (c) in regard to community property membership, the following rights shall apply:
  - (i) presence at a meeting of either one or both of the community property owners shall be regarded as presence of one member and shall have the effect of constituting a waiver of notice of the meeting;
  - (ii) the vote of one (1) community property owner shall be considered to be the vote of both owners;
  - (iii) a waiver notice signed by one or both of the community property members shall constitute a waiver;
  - (iv) notice to either member shall constitute notice to both;
  - (v) expulsion of either member shall terminate the community property ownership;
  - (vi) withdrawal of either member from the membership shall terminate the community property membership except in the case of death or divorce;
  - (vii) either, but not both community property owners may be elected or appointed as an officer or trustee of the Mora-San Miguel Electric Cooperative, Inc., provided that any person so elected or appointed must meet the qualifications for such office.

**Section 4. Sole Membership.** A sole membership may be converted to a community property membership upon the filing of a written request in the offices of the Cooperative signed by both the husband and wife.

**Section 5. Membership Fee.** The membership fee shall be five dollars, upon the payment of which a member shall be eligible for service.

**Section 6. Purchase of Electric Energy.** Each member shall, as soon as electric energy is available, purchase from the Cooperative all electric energy used on the premises specified on his application for membership, and shall pay therefor monthly at rates which shall from time to time be fixed by the Board of Trustees. Provided, however, that the Board of trustees may limit the amount of electric energy which the Cooperative shall be required to furnish to any one member. It is expressly understood that the amounts paid for electric energy in excess of the cost of service are furnished by members as capital and each member shall be credited with a capital so furnished

as provided in these by laws. Each member shall pay to the Cooperative such minimum amount per month, regardless of the amount of electric energy consumed, as shall be fixed by the Board of Trustees from time to time. Each member shall also pay all amounts owed by him to the Cooperative as and when the same shall become due and payable.

**Section 7. Termination of Membership.** Any member may withdraw from membership upon compliance with such uniform terms and conditions as the Board of Trustees may prescribe. The Board of Trustees of the Cooperative may by the affirmative vote of not less than two-thirds of all the trustees, expel any member who shall have refused or failed to comply with any of the provisions of the articles of incorporation, by-laws or rules or regulations adopted by the Board of Trustees, but only if such member shall have been given written notice by the Secretary of the Cooperative that such refusal or failure makes him liable to expulsion and such refusal or failure shall have continued for at least ten days after such notice was given. Any expelled member may be reinstated by vote of the Board of Trustees or by vote of the members at any annual or special meeting.

Upon the withdrawal, death, cessation of existence or expulsion of a member, the membership of such member shall thereupon terminate, and the membership certificate of such member shall be surrendered forthwith to the Cooperative. Termination of membership in any manner shall not release a member or his estate from any debts due the Cooperative. If service is discontinued to a member of the Cooperative at the request of the member, for non-payment for electric service available, or for other violations of by-laws, or rules or regulations of the Cooperative, without prior arrangements made for re-connection within sixty (60) days of such discontinuance, such member so disconnected shall forfeit his membership and return the membership certificate. The failure of such former member to return the membership certificate to the Cooperative shall not prevent the membership from being considered terminated and cancelled.

## **ARTICLE II - RIGHTS AND LIABILITIES OF MEMBERS**

**Section 1. Property Interests of Members.** Upon dissolution and after (a) all debts and liabilities of the Cooperative shall have been paid, and (b) all capital furnished through patronage shall have been retired as provided by these by-laws, the remaining property and assets of the Cooperative shall be distributed among the members and former members in the proportion which the aggregate patronage of each bears to the total patronage of all such members, unless otherwise provided by law.

**Section 2. Non-liability for debts of the Cooperative.** The private property of the members shall be exempt from execution or other liability for the debts of the Cooperative and no member shall be individually liable or responsible for any debts or liabilities of the Cooperative.

**Section 3. Voting Qualifications.** No member may vote in any election unless they have been approved as members of the Cooperative by the Board of Trustees at least thirty (30) days prior to such election.

## **ARTICLE III - MEETING OF MEMBERS**

**Section 1. Annual Meeting.** The annual meeting of the members, beginning with the year 1967, shall be held on the last Saturday in June of each year, at such place in the county of Mora,

State of New Mexico as designated in the notice of the meeting, for the purpose of passing upon reports for the previous fiscal year and transacting such other business as may properly come before the meeting. Failure to hold the annual meeting at the designated time shall not work as forfeiture or dissolution of the Cooperative. The Mora San Miguel Electric Cooperative shall provide polling places as needed in all five districts of the Cooperative.

**Section 2. Special Meetings.** Special meetings of the members may be called by resolution of the Board of Trustees, or upon a written request signed by any three trustees, by the President, or by ten per centum or more of all the members, and it shall thereupon be the duty of the Secretary to cause notice of such meetings to be given as hereinafter provided. Special meetings of the members may be held at any place within the county of Mora, State of New Mexico, specified in the notice of the special meeting. If mailed, such notice shall be deemed to be delivered when deposited on the United States Mail addressed to the member at his address as it appears on the records of the Cooperative, with postage thereon prepaid. The failure of any member to receive notice of an annual or special meeting of members shall not invalidate any action which may be taken by the members at any such meeting.

**Section 4. Quorum.** A quorum shall consist of five percent of the total membership, present in person, or one hundred members, present in person, whichever is less. If less than a quorum is present at any meeting, the meeting shall adjourn. The determination as to whether or not a quorum is present shall be made one hour after the announced starting time of the meeting. In the event the membership at such meeting is to vote for a Trustee, and no quorum is present, and no competition for office, the incumbent Trustee shall continue in office for an additional term of three years. If there is competition and no quorum, the meeting shall be adjourned and be rescheduled within 30 days. If no quorum can be obtained at the rescheduled meeting, the incumbent will continue in office for an additional term of three years.

**Section 5. Voting.** At any annual meeting in which an election is held, the Cooperative shall provide simultaneous voting sites within the Districts covering the Pecos and Las Vegas area. The persons voting at these sites shall be counted toward the quorum necessary to conduct the annual meeting. Voting at these additional sites shall commence and end at substantially the same time as voting in Mora.

(a) Eligibility for voting in Annual or District elections shall be determined by primary residence meter location. No voter shall be allowed to vote more than once in a District election with multiple voting sites. Any member in line at the time the polls close shall be allowed to vote.

The Cooperative shall indemnify trustees, officers, including the general manager, agents and employees, as provided for present or former trustees or officers in section 62-15-3Q, N.M.S.A., 1978. The Cooperative may purchase insurance to cover such indemnification.

**Section 11. Reports.** The Officers of the Cooperative shall submit at each Annual Meeting of the Members, reports covering the business of the Cooperative for the previous fiscal year. Such reports shall set forth the condition of the Cooperative at the close of such fiscal year.

**ARTICLE VII - DISPOSITION OF REVENUE AND RECEIPTS**

**Section 1. Interest of Dividends of Capital Prohibited.** The Cooperative shall, at all times, be operated on a Cooperative non-profit basis for the mutual benefit of its patrons. No interest dividends shall be paid or payable by the Cooperative on any capital furnished by its patrons.

**Section 2. Patronage Capital in Connection with Furnishing**

**Electric Energy.** In furnishing electric energy, the Cooperative operation shall be so conducted that all patrons, members and non-members alike, will through their patronage, furnish capital for the Cooperative. In order to induce patronage and to assure that the Cooperative will operate on a non-profit basis, the Cooperative is obligated to account on a patronage basis to all its patrons, members and nonmembers alike, for all amounts received and receivable from the furnishing of electric energy in excess of operating costs and expenses properly chargeable against the furnishing of electric energy. All such amounts in excess of operating costs and expenses at the moment of receipt by the Cooperative are received with the understanding that they are furnished by the patrons, members and non-members alike, as capital. The Cooperative is obligated to pay by credits to a capital account for each patron all such amounts in excess of operating costs and expenses. The books and records of the Cooperative shall be set up and kept in such a manner that at the end of each fiscal year the amount of capital, if any, so furnished by each patron is clearly reflected and credited in the appropriate record to the capital account of each patron, and the Cooperative shall within a reasonable time after the close of the fiscal year notify each patron of the amount so credited to his account. All such amounts credited to the capital account of any patron shall have the same status as though they had been paid to the patron in cash in pursuance of a legal obligation to do so and the patron had then furnished the Cooperative corresponding amounts for capital.

In the event of dissolution or liquidation of the Cooperative, after all outstanding indebtedness of the Cooperative shall have been paid, outstanding capital credits shall be retired without priority on a prorata basis before any payments are made on account of property rights of members. If, at any time prior to dissolution or liquidation, the Board of Directors shall determine that the financial condition of the Cooperative will not be impaired thereby, the capital then credited to patrons' accounts may be retired in full or in part. Any such retirements of capital furnished prior to June 27, 1986, shall be made in order of priority according to the year in which the capital was furnished and credited, the capital first received by the Cooperative, being first retired. After June 28, 1986, the Board of Trustees shall determine the method, basis, and priority and order of retirement, if any, for all amounts thereafter furnished as capital. Provided that the Board of Trustees shall have the power to adopt rules providing for the separate retirement of that portion of capital credited to the account of patrons which corresponds to capital (designated as investments in associated organizations-patronage capital and others) credited to the account of the Cooperative by organizations furnishing electric energy or providing financing to the Cooperative. These rules shall (a) establish a method for determining such portion of capital credited to each patron for each applicable year, (b) provide for separate identification on the Cooperative's books of such capital credited to the Cooperative's patrons, (c) provide for appropriate notification with respect to such capital credited to their accounts, (d) preclude a general retirement of other capital credited to patrons for the same year or of any capital credited to patrons for any year prior to the fiscal year. Capital credited to the account of each patron shall be assignable only on the books of the Cooperative pursuant to written instruction from the assignor and only to successors in interest or successors in occupancy in all or part of such patron's premises served by the Cooperative unless the Board of Trustees, acting under policies of general application, shall determine otherwise.

Notwithstanding any other provision of these by-laws, the Board of Trustees at its discretion, shall have the power at any time upon the death of any patron, who was a natural person, if the personal representatives of his estate shall request in writing that the capital

credited to any such patron be retired prior to the time such capital would otherwise be retired under the provisions of these by-laws, to retire capital credited to such patron immediately upon such terms and conditions as the Board of Trustees, acting under policies of general application, and the personal representatives of such patron's estate shall agree upon; provided however, that the financial condition of the Cooperative will not be impaired thereby; provided further, however, that the aggregate amounts so retired in any one year shall be set by the Board of Trustees each year, but the aggregate amount retired in any one year shall be a minimum of Twelve Thousand Dollars (\$12,000.00) and provided further, however, that, if acting under policies of general application to the amount mentioned above is not sufficient to retire the capital credited to any such patron or patrons, such patron or patrons shall have the capital credited to them retired in the next succeeding year, before any other retirements are made in such succeeding year. The patrons of the Cooperative, by dealing with the Cooperative, acknowledge that the terms and provisions of Articles of Incorporation and by-laws shall constitute and be a contract between the Cooperative and each patron, and both the Cooperative and the patrons are bound by such a contract, as fully as though each patron had individually signed a separate instrument containing such terms and provisions. The provisions of this article of the by-laws shall be called to the attention of each patron of the Cooperative by posting in a conspicuous place in the Cooperative's office.

### **Section 3. Creation of Mora-San Miguel Electric Education Foundation.**

#### **3.1 Special right to assign.**

Any member or patron may assign all or any portion of his patronage capital, earned or credited or expected to be earned or credited in the future, to the Mora-San Miguel Electric Education Foundation, a charitable tax exempt trust, effective as of the date of assignment, subject in all cases to the Cooperative's prior lien for unpaid charges.

#### **3.2 Assignment by failure to provide address.**

Notwithstanding any other by-law provision, capital credits and capital credit payments, notice or delivery of which cannot be made for failure of a patron or former patron to claim the same in person, or to furnish an effective mailing address for a period of two years after the Cooperative has mailed the same with sufficient postage to the last known address and to the last address provided to the Cooperative, or after the Cooperative had in good faith attempted to deliver such notice or payment, shall be and constitute an irrevocable gift by the patron to the Mora-San Miguel Electric Education Foundation, a charitable tax exempt trust of such credit or payment remaining after the Cooperative's prior claim for charges due has been satisfied.

#### **3.3 Charitable trust.**

It shall be the duty of the Cooperative to take the necessary steps to establish a tax exempt charitable trust and to obtain approval of the Internal Revenue Service of the United States and the Bureau of Revenue of New Mexico and to cause to be named as Trustees the officers, from time to time, of the Cooperative being the President, Vice President, the Secretary, and Treasurer, who are to serve as trustees without compensation.

#### **3.4 Priority of Cooperative's claim for amounts due from patron.**

Nothing contained in this article shall be construed to deprive the Cooperative of its first lien against any capital credits to satisfy any

unpaid electric bill of the patron; only that portion of capital credit or payment which is not needed to satisfy an unpaid balance for electric service may be transferred to the Mora-San Miguel Electric Education Foundation under the provisions hereof for the purpose of educational grants to our present active immediate families.

**3.5 Savings clause.**

If any portion of this article shall be held invalid or not effective to accomplish its purposes, the remaining portions of the article shall not be affected thereby and in no event shall this article be construed to adversely affect the exemption of the cooperative from liability for payment of income taxes on its revenues from the distribution of electricity to its patrons.

**3.6 Effective date.**

The benefits accruing members under the capital credits plan of operation under this article shall be retroactive and effective as of the first calendar year in which the records of the Cooperative show that its members and consumers for said year paid for electric service a sum in excess of the operating costs and expenses properly chargeable against the furnishings of such services.
