

Learn How to Comment on New Mexico's Forest Plans!

Please join us for a webinar from 6 to 7:30 p.m. Monday, Nov. 4, that will provide you with background on the draft management plans for the Carson, Cibola, and Santa Fe National Forests and guidance on how to effectively submit your comments to each forest.

The formal 90-day period to comment on these plans ends on November 7. Unfortunately, **all three proposed plans fail to adequately protect New Mexico's Wilderness, wildlife, and water.**
