

Re: Calendaring Document - **NOTICE ASSIGNMENT TO THE GENERAL CALENDAR**

File: 052920-COURT-OF-APPEALS-GENERAL-CALENDAR-ASSIGNMENT

20 days from the attached filing, the record of our case must reach the Appellate Court

THEN – APR has 45 days to file its “brief-in-chief” (APR means Augustin Plains Ranch)

THEN – New Mexico Environmental Law Center, the County Commissioners, and other protestant’s attorneys have 45 days to file an answer brief

THEN – APR can file a Reply within 30 days

THEN – Court of Appeals can set oral argument hearing for lawyers only, but that is unlikely to happen: the judges will probably read briefs

After all the filings there is no predicting when our case will be taken up by the judges. We could have a wait of as long as three years.
